BREAKFASTS

POPPY SEED PANCAKES

INGREDIENTS

1 Medium **egg**
200 grams **plain flour**
75 grams **caster sugar**
2 teaspoons **baking powder**
150 millilitres **milk**
2 **lemons**, juiced and zested
40 grams **poppy seeds**
2 tablespoons **oil**

INSTRUCTIONS

Begin by sifting the flour into a large bowl to remove any lumps before mixing in the sugar, baking powder and salt.

In a measuring jug, whisk together the milk, egg, poppy seeds, lemon juice and zest. Create a well in centre of the flour mixture and pour the liquid into it. Using a wooden spoon, slowly fold the flour into the wet ingredients until a smooth batter has formed.

Heat a lightly oiled non-stick frying pan over a low heat and add one ladleful of batter. Spread the batter out to create a pancake that is 10 centimetres in diameter and cook for around 3 minutes, or until the base has turned golden brown. Flip the pancake and cook for a further 2 minutes on the other side before removing from the pan.

Repeat this process until all the batter is used up and wrap finished pancakes in kitchen foil to keep warm while the rest cook. Squeeze over a wedge of lemon before serving with a dollop of natural yoghurt and honey for a delicious breakfast

GRAINS

Almost all grains can be easily traded. Swapping oats for quinoa is an excellent gluten-free alternative and packs a nice additional protein punch.

Oats are high in the soluble fibre beta-glucan, which has numerous benefits. It helps reduce cholesterol and blood sugar levels, promotes healthy gut bacteria and increases feelings of fullness.

INGREDIENTS

130 grams **rolled oats**
240 millilitres **unsweetened almond milk**
1 tablespoon **chia seeds**
½ tablespoon **maple syrup**
1 tablespoons **peanut butter**
1 tablespoon **jam**

INSTRUCTIONS

To make this nutritious and simple breakfast, add all the ingredients except the jam into a serving bowl. Cover with kitchen wrap and place in the fridge overnight, by which point the oats will have absorbed the delicious flavours of the maple syrup and peanut butter and soaked up much of the almond milk.

When ready to serve, add a dollop of jam on top and stir in some extra almond milk if needed.

To stop a half-eaten avocado going brown. Brush the avocado with lemon juice; the citric acid in the juice will keep browning at bay. Store in an airtight container to get as much protection as possible.

AVOCADO ON TOAST WITH SMOKED SALMON

INGREDIENTS

- 1 **avocado**, peeled and stoned
- 2 tablespoons **fat-free natural yoghurt**
- ½ **lemon**, juiced
- 2 slices **rye bread**, toasted
- ½ teaspoon **cayenne pepper**
- 75 grams **smoked salmon**
- ¼ **cucumber**, thinly sliced using a vegetable peeler
- A handful **watercress**

DRESSING:

- ½ **red chilli**, deseeded and diced
- A handful **fresh mint**, chopped
- ½ **lemon**, juiced and zested
- 1 **tomato**, diced
- 1 teaspoon **white wine vinegar**
- A pinch **salt and black pepper**

INSTRUCTIONS

Begin making the dressing by combining all the dressing ingredients in a small bowl and seasoning to perfection before setting aside.

In a separate bowl, roughly mash together the avocado flesh, lemon juice and yoghurt. Be careful not to make the mixture too smooth, as you want it to have a chunky texture.

Divide the avocado mixture between the slices of toasted rye bread. Sprinkle over a pinch of cayenne pepper to add a touch of heat and colour before layering the smoked salmon and cucumber ribbons on top. Finish by placing a small handful of watercress on top of the salmon and drizzling over the dressing.

Harissa is a North African and Middle Eastern condiment, most commonly found in Tunisia and Morocco, that is made from garlic, cumin, caraway, pounded chilli peppers, salt and a dash of olive oil.

SERVES 4 | TOTAL TIME: 20 MINUTES

SPICY MOROCCAN EGGS

INGREDIENTS

2 teaspoons **olive oil**
1 **white onion**, thinly sliced
3 **garlic cloves**, crushed
1 tablespoon **rose harissa paste**
1 teaspoon **ground coriander**
150 millilitres **vegetable stock**
400 gram **tin chickpeas**
2 400 gram tins **chopped tomatoes**
2 **courgettes**, diced
200 grams **baby spinach**
A large handful **coriander**, chopped
4 **eggs**

INSTRUCTIONS

Begin by heating the olive oil in a large frying pan. Once hot, sauté the onion and garlic for 5 minutes, or until the onion has softened and the garlic smells fragrant. Stir in the harissa paste and ground coriander. Let the spices roast in the pan for a few moments before adding the vegetable stock and chickpeas, including their liquid. Cover the pan and leave to simmer for 10 minutes, by which point it should smell incredible.

Add the tinned tomatoes and courgettes to the pan and cook over a low heat for a further 10 minutes. Once the tomatoes have broken down and the courgettes are tender fold in the baby spinach and fresh coriander and let the sauce gently bubble until it is rich and delicious.

Using the back of a spoon, make 4 hollows in the sauce. Crack the eggs into the hollows, put a lid on the pan and let the eggs poach in the sauce. Once the yolk has turned golden yellow and the white has set, remove from the heat and serve immediately.

CRISPY

If you prefer your sprouts a little crispier keep them in the oven 10-15 minutes longer.

When prepared properly, Brussels sprouts have a sweet, nutty flavour and a crisp texture. If overcooked, Brussels sprouts produce a strong foul odour and become mushy in texture hence have garnered a somewhat undeserved reputation.

SERVES 4 | TOTAL TIME: 35 MINUTES

ROASTED BRUSSELS SPROUTS WITH CRANBERRIES

INGREDIENTS

450 grams **Brussels sprouts**, trimmed and halved
1 tablespoon **olive oil**
A pinch **salt and black pepper**
1 tablespoon **dried cranberries**

INSTRUCTIONS

Begin by preheating your oven to 200°C/400°F/gas 6.

In a large bowl, toss the Brussels sprouts with olive oil before spreading them out evenly across a baking tray. Season the sprouts to perfection with salt and pepper before roasting them in the oven for 15 minutes, by which point they will have started to soften.

Remove the sprouts from the oven and scatter over the cranberries. Return to the oven and roast for a further 10 minutes, or until the sprouts have begun to slightly char and the cranberries are caramelised.

Serve as a delicious accompaniment to any main meal or as a healthy snack.

SMELLY PEE

Asparagus contains Asparagusic acid that our bodies convert into sulfur-containing chemicals that can make your urine stink.

Look for medium sized asparagus stalks for this dish. The thin ones can dry out rapidly when grilled or oven baked.

SERVES 4 | TOTAL TIME: 20 MINUTES

ROCKET, EGG AND CHARRED ASPARAGUS SALAD

INGREDIENTS

4 **eggs**
1 tablespoon **extra-virgin olive oil**
340 grams **asparagus**, trimmed
50 millilitres **Greek yoghurt**
1 **lemon**, juiced
1 tablespoon **water**
150 grams **rocket**
A pinch **salt and black pepper**

INSTRUCTIONS

Begin by preheating your grill to a high heat.

Meanwhile, bring a saucepan of water to the boil. Add the eggs and cook for 6-8 minutes until they are hard-boiled or to your liking. Using a slotted spoon, remove the eggs from the water and place in a bowl of ice or cold water for a few minutes to halt the cooking process. Once the eggs are cold to the touch, peel them and cut into quarters.

Place the asparagus on a baking tray and drizzle over olive oil and a pinch of salt and pepper. Grill for 3 minutes until it is lightly charred, then remove from the grill and chop into 3 centimetre pieces.

In a small bowl make the salad dressing by combining the yoghurt, lemon juice and seasoning – if the dressing is too thick just add a splash of water. Once it has reached your desired consistency, fold the rocket into the yoghurt mixture.

To serve, arrange the rocket on a platter and top with the asparagus and hard-boiled eggs.

CONVENIENCE

SERVES 4 | TOTAL TIME: 40 MINUTES

PARMESAN ROASTED CAULIFLOWER

INGREDIENTS

- 1 **cauliflower**, cut into florets
- 1 **white onion**, sliced
- A handful fresh **thyme**
- 4 **garlic cloves**, crushed
- 3 tablespoons **olive oil**
- 60 grams **Parmesan cheese**, grated
- A pinch **salt and black pepper**

INSTRUCTIONS

Begin by preheating your oven to 220°C /425°/gas7.

Meanwhile, toss the cauliflower, onion, thyme and garlic in a large bowl with a splash of olive oil. Once the vegetables and herbs are well coated, season with salt and pepper before placing them on a baking tray.

Roast the cauliflower for 40 minutes and toss occasionally to prevent burning. Once the cauliflower has started to turn golden brown, remove from the oven and scatter over the Parmesan cheese before returning to the heat for a further 10 minutes.

Remove from the oven once the cauliflower is fully golden and the cheese has melted. Enjoy as a healthy alternative to crisps or as a delicious side to a main dish.

MAIN COURSES

CALORIE GRENADES

Although an incredible accompaniment to the dish, beware of the calories packed in avocados.

This is a great, nicely balanced dish, however, if you want to lower the carbs substitute the corn and half the beans for some chopped bell peppers.

INGREDIENTS

2 teaspoons **olive oil**
1 **white onion**, diced
3 **garlic cloves**, crushed
1 **red pepper**, chopped
450 grams **lean turkey mince**
1 tablespoon **chilli powder**
2 teaspoons **ground cumin**
1 teaspoon **dried oregano**
¼ teaspoon **cayenne pepper**
½ teaspoon **salt**
2 400 gram tins **chopped tomatoes**
300 millilitres **chicken stock**
2 400 gram tins **kidney beans**, drained and rinsed
400 gram tin **sweet corn**, drained and rinsed

INSTRUCTIONS

In a large frying pan, sauté the onion, garlic and red pepper over a medium heat for around 5 minutes, or until the vegetables are tender and beginning to caramelize. Add the turkey to the pan and cook through before adding the spices.

Let the spices roast in the pan until they are aromatic before adding the chopped tomatoes, stock, kidney beans and sweet corn. Bring the chilli to the boil and let it reduce for around 30 minutes by which point the sauce will be thick and rich. Season to your taste with a pinch of salt and black pepper before removing from the heat.

To serve, top with your favourite Mexican condiments such as guacamole, sour cream or hot sauce.

BBO CHICKEN TORTILLA PIZZA

INGREDIENTS

- 2 **flour tortillas**
- 1 **white onion**, diced
- 85 grams **cooked chicken**, shredded
- 50 millilitres **barbeque sauce**
- 1 teaspoon **balsamic vinegar**
- 50 grams **cherry tomatoes**, sliced
- 100 grams **mozzarella cheese**, grated
- 50 grams **Parmesan cheese**, grated

INSTRUCTIONS

Begin by preheating your grill to a medium heat.

Place the tortillas under the grill for around 1 minute, or until they are lightly toasted all over – remember to watch the tortillas carefully as they will burn very easily. Once cooked, remove from the grill and set aside.

To soften the onion, gently sauté in a pan for 5 minutes or, alternatively, cook them in a microwave for 2 minutes.

While the onion cooks, add the shredded chicken to a bowl and combine with the barbeque sauce and balsamic vinegar.

To assemble the pizza, spread the tortillas with barbeque sauce and scatter over the chicken, onions and tomatoes. Top with the grated mozzarella and Parmesan before placing the pizza under the grill once again.

½ teaspoon of **ground fennel seeds**
½ teaspoon of **ground black pepper**
2 tablespoons of **extra-virgin olive oil**
A pinch of **salt**

Top quality fresh porcini are hard to come by. If not perfectly fresh, porcini are frequently prone to spoilage. Hence why we typically only find the dried variety.

INGREDIENTS

30 grams **dried porcini mushrooms**
2 tablespoons **olive oil**
500 grams **chestnut mushrooms**, finely diced
2 **white onions**, diced
4 **garlic cloves**, crushed
2 **carrots**, grated
2 **celery stalks**, diced
A handful **thyme leaves**, chopped
1 teaspoon **celery salt**
1 **star anise**
2 tablespoons **tomato purée**
2 400 gram tins **chopped tomatoes**
A handful **basil**, chopped
400 grams **tagliatelle**

INSTRUCTIONS

Begin by soaking the porcini mushrooms in a bowl of boiling water and setting them aside to rehydrate.

In a large frying pan, heat the olive oil and gently sauté the chestnut mushrooms. The mushrooms will release a lot of liquid so keep cooking until the liquid has evaporated and the mushrooms are soft and golden brown.

Remove the mushrooms from the pan and add the carrots, onion, garlic and celery. Sauté the vegetables for around 10 minutes or until they have softened, before adding the herbs, celery salt, star anise and tomato purée.

Drain the porcini mushrooms and add them to the pan, alongside some of the reserved soaking liquid and the chestnut mushrooms. Combine the ingredients in the pan before adding the chopped tomatoes. Cook the sauce for 30 minutes, by which point it will look luxurious and glossy.

Meanwhile, cook the pasta until al dente before draining and mixing through the mushroom sauce. To serve, tear over some fresh basil leaves and enjoy.

Orzo is a rice-shaped pasta that you can cook and serve in much the same way you do rice. That is, you can boil it until the liquid is absorbed, cook it risotto-style, or use the pilaf method.

SERVES 4 | TOTAL TIME: 35 MINUTES

CHEESY CHICKEN ORZO

INGREDIENTS

2 tablespoons **olive oil**
350 grams **chicken breasts**, chopped into 2 centimetre pieces
140 grams **Orzo pasta**
50 grams **cheddar cheese**, grated
2 tablespoons **butter**
60 millilitres **milk**

INSTRUCTIONS

Begin by heating the olive oil in a large frying pan. Add the chicken and cook over a medium heat for around 15 minutes until it has cooked through before setting aside.

Meanwhile, bring a large saucepan of water to the boil and add the Orzo pasta. Boil the pasta until al dente and drain before returning it to the pot. Add the grated cheese, butter and milk to the pasta and combine until it has formed a smooth and creamy sauce.

Stir in the cooked chicken and season to perfection with a pinch of salt and black pepper before serving immediately.

SERVES 4 | TOTAL TIME: 60 MINUTES

BAKED SWEET AND SOUR CHICKEN

INGREDIENTS

450 grams of skinless **chicken breasts**, cut into 2 centimetre pieces
2 tablespoons of **cornstarch**
2 tablespoons of **extra-virgin olive oil**
250 gram tin of **pineapple**
60 millilitres of **tomato ketchup**
2 tablespoons of **rice vinegar**
1 tablespoon of **soy sauce**
1 **garlic clove**, crushed
¼ teaspoon of **red pepper flakes**
1 **white onion**, diced
2 **bell peppers**, diced
3 **spring onions**, thinly sliced

INSTRUCTIONS

Begin by preheating your oven to 180°C/350°F/gas 4.

Meanwhile, place the chicken and corn starch in a sealable bag and shake well to evenly coat the chicken.

Heat the olive oil in a wok over a medium heat. Add the chicken and stir-fry for around 2 minutes until it has turned golden brown before removing from the heat.

Once the chicken has cooked, drain the pineapple, making sure to reserve some of the juice for the sauce. To make the sauce, whisk together the pineapple juice, ketchup, rice vinegar, soy sauce, garlic and red pepper flakes in a small bowl.

Place the chicken pieces in a large roasting tin. Scatter over the pineapple, onion and bell peppers before pouring over the sauce. Remember to make sure that everything is well-coated, as this will let the vegetables and chicken absorb the sweet and sour flavours.

Cover the roasting tin with foil and bake for 45 minutes or until the chicken has cooked through and the sauce has become thick and sticky.

Scatter over a handful of spring onions before tucking in.

NO BAKE PEANUT BUTTER PROTEIN BARS

INGREDIENTS

130 grams **natural smooth peanut butter**
30 grams **honey**
75 grams **vanilla whey protein powder**
60 grams **oat flour**
30 grams **chocolate chips**

SANS ALCOHOL

If raspberry liqueur isn't your thing, this can be easily traded for a teaspoon of vanilla extract.

Gelatine is made from animal collagen, but if you're a vegetarian or vegan, you can still make delicious desserts using alternatives such as Agar, Carrageen or vegetable gums.

RASPBERRY CHOCOLATE MOUSSE

INGREDIENTS

1 tablespoon **raspberry liqueur**
1 tablespoon **milk**
 $\frac{3}{4}$ teaspoon **gelatine**
85 grams **baking chocolate**, roughly chopped
4 **eggs**, separated
4 tablespoons **sugar**
1 teaspoon **vanilla extract**
A pinch **salt**

INSTRUCTIONS

Begin by whisking together the liqueur, milk and gelatine in a small bowl before leaving to set.

Meanwhile, create a bain-marie by placing a glass bowl atop a saucepan half-filled with boiling water. Place the chocolate in the glass bowl and gently whisk until it has completely melted and there are no lumps.

Put the chocolate to one side and place another glass bowl atop the saucepan. In the bowl, combine the egg yolks, 3 tablespoons of sugar and a pinch of salt. Whisk constantly until the sugar dissolves and then add the gelatine mixture and melted chocolate. Continue to whisk until the gelatine dissolves before removing from the heat.

In a large bowl, beat the egg whites until they form stiff peaks. Once the eggs have reached this consistency, fold them into the chocolate mixture and then divide between 8 ramekins. Refrigerate the chocolate mousses for at least 2 hours before serving and garnish with fresh raspberries or whipped cream.

- 170 grams **dark chocolate**, melted
- 4 tablespoons **unsweetened cocoa powder**
